## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake View Elementary, a Title One School, was the proud winner of the Palmetto Silver Award in two categories during the 2010-2011 school year. This prestigious award was earned by outstanding academic performance on the PASS exam and by closing the achievement gap. This award represents the continuous work and dedication of the students, teachers, administrators, and parents on a daily basis.

As a Red Carpet School, we strive daily to provide a family-friendly environment and excellent customer service. Our Media Center conducts "Library Late Night" once a month to provide after school time for parents and students to use the library. Parents and students are able to check out books together and use the computers for research. Basic computer skills are taught to parents through mini classes taught at night in the media center.

Lake View Elementary is committed to maximizing each student's educational achievement. Our faculty and staff use diagnostic data from Measures of Academic Progress to design an individual learning plan for each student. Students receive instruction on their academic level on a daily basis.

Through partnerships with our dedicated parents and community members, Lake View Elementary will continue to strive for excellence, ensuring academic success for all students.
